

MOXIE FLOWERS

Moxie Flowers, an independent artist from Calgary, Alberta, draws inspiration from her experiences with Epilepsy and Functional Neurological Disorder. Her upcoming single, 'Dali' blends atmospheric textures with psychedelia. Inspired by current artists like Lorde, and classics like The Doors - her mind-bending lyricism is already finding a devoted fanbase across the globe. With a sound that's both intimate and otherworldly, Moxie Flowers is creating a space that's uniquely her own.
